The Park is about mid-way between the interesting towns of Eastbourne and Brighton.

The town of Seaford is within easy reach, and apart from the main Supermarket and shops has a wealth of interesting places to visit including the Martello Museum with its history of the area and bygone days. There are plenty of restaurants and pubs offering a wide range of good food. The area of East Sussex around Sunnyside has many attractions. Walkers will find lovely walks with Friston Forest and across the Seven Sisters to the beautiful Cuckmere Valley. There you will find the Living World with its collection of tropical butterflies, insects and marine and freshwater aquaria in a delightful landscaped setting.

The picturesque village of Alfriston is also within easy distance of the Park, close to Drusillas Zoo and the Michelham Priory with its beautiful and tranquil gardens enhanced by a working watermill. These are just one or two of the many interesting places that can be visited within the area, and literature is always available from the Park Office.

The Park is open from the 1st March to 31st October. Daily bread, milk, and newspapers are available, and there is a laundry room and shower block if required.
